Our Shaykh's Foreword (quote):

الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ، وَالصَّلَاةُ وَالسَّلَامُ عَلَى أَشْرَفِ الْأَنْبِيَاءِ
وَالْمُرْسَلِينَ، نَبِيِّنَا مُحَمَّدٍ وَعَلَى آلِهِ وَصَحْبِهِ أَجْمَعِينَ.

This is an Arabic-English glossary of words used in my book
Duruus al-Lughah al-Arabiyyah.

I have done my best to collect all the words, but it is quite possible that some words might have escaped my notice. Readers are requested to notify me care of the publisher of any omissions so that they may be included in the next edition of the book *in shaa' Allaah*.

The need for such a glossary has long been felt as it is wellnigh impossible for students of Arabic in the early stages of their learning to use standard Arabic dictionaries where they are sure to get lost in the maze of innumerable derivatives of each word and their meanings.

Readers must realize that this is a dictionary with limited scope: only those meanings of a word have been listed here which it has in the book.

It is earnestly hoped that readers will be benefited from this humble effort *in shaa' Allaah*.
