اللغة العربية

Question

In دروس اللغة Book 2, L21, is the following sentence:

يُنَبِّهُ الْمُدَرِّسُ الطُّلاَّبَ لِضَرُوْرَةِ اسْتِعْمَالِ "لَمَّا" بَدَلاً مِنَ الْكَلِمَةِ الْعَامِّيَّةِ:"لِسَّه".

Why is the word بَدُلاً *manṣūb*?

Faḍīlat al-Shaykh Dr. V. Abdur Rahim (حفظه الله) replies:

وعليكم السلام

This is a *maṣdar* which functions as *ḥāl* as in

جئت مَشْياً

مَاشِياً. i.e.,

«بَدُلاً» is for «بَادلاً» i.e., exchanging.

In the sentence:

«بَادِلِينَ» is for «بَادِلِينَ» and ṣāḥibu l-ḥāl is: الطُّلاَّب

It is equal to:

والسلام, abdur rahim
