

(هود: 114)

Question

السلام عليكم

Respected Sheikh,

Why does the *nakirah* word ذِكْرَى not have *tanwiin*? I thought that when a فَدَى, it shows *tanwiin* like هُدًى.

Example:

: (هود: 114) Al-Quran (عود: 114

FaDiilat al-Shaykh Dr V. Abdur Rahim حفظه الله replies:

Dear Br Tanveer

The word منوع من الصرف is مخنوع من الصرف because it ends in ألف التأنيث.

It is like مَرْضَى (pl of قَتْلَى (pl of قَتْلَى the one killed).

Hope this has helped you.

والسلام

abdur rahim
