# Study Program for Non-Natives to Help Master the Arabic Sciences

Authored & Taught by  
**Shaykh Dr. V. Abdur Rahim**

## Who is the mastering Arabic program for?

It is for non-native speakers of Arabic. Native speakers can also benefit.

## What is the aim of the program and what does it involve?

The aim is to help master Qur'ānic and modern Arabic – from beginner to advanced level, using the teachings methods of Madinah Islāmic University. The program involves a meticulous lexical and grammatical study of selected suurahs of the Qur'ān, selected aḥādīth, tawḥīd and fiqh texts, extracts from scholarly works and some historical texts.

## What benefits and skills will I gain at the end of the program?

We hope the program will enable you to understand the Noble Qur'ān, aḥādīth, tafṣīr and classical and modern Arabic texts - *in sha Allah*.

## Are the post- Madinah books materials only suitable for the Madinah Course students?

No, any student who has reached proficiency in Arabic equivalent to the 3 Madinah Books can benefit from the post-Madinah books courses.

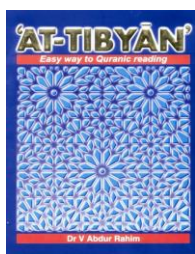

## Program for Non-Natives to Help Master the Arabic Sciences

### Shaykh's recommended Study Order
