

اللغة العربية

«لَأَنَّ، فَإِنَّ»

Question

What is the difference between «لَأَنَّ» and «فَإِنَّ»?

Faḍīlat al-Shaykh Dr. V. Abdur Rahim (حفظه الله) replies:

Dear Ali Bagul

وعليكم السلام

لَأَنَّ means *because* as in :

«مَا ذَهَبْتُ إِلَى الْمَدْرَسَةِ لِأَنِّي مَرِيضٌ».

فَإِنَّ can also mean the same thing depending on the context as in :

«لَا تَأْكُلُوا بِالشَّمَالِ فَإِنَّ الشَّيْطَانَ يَأْكُلُ بِالشَّمَالِ» الحديث.

Hope this has helped you.

والسلام,

abdur rahim
