

اللغة العربية

نَاسَبٌ يُنَاسِبُ

Question

What is the اسمُ التفضيلِ of نَسَبٌ given that أَنْسَبُ is already taken as the اسمُ التفضيلِ of يُنَاسِبُ ?

FaDiilat al-Shaykh Dr V. Abdur Rahim حفظه الله replies:

وعليكم السلام

The *baab* meaning 'to suit, to be suitable' is نَاسَبٌ.

Its اسمُ الفاعلِ is مُنَاسِبٌ, and its اسمُ التفضيلِ should be أَكْثَرُ مُنَاسَبَةً, but أَنْسَبُ is used instead. It is a modern usage.

والسلام.
